

Geographic Number Porting Request Form

This request form authorises Lighthouse Fibre (Pty) LTD to request that the service and current telephone number/s specified below be transferred to Go Connect.

Subscriber name:

Name & designation of person
authorised to make request:

Contact number:

South African Identity Document /
Passport Number:

*Please attach a certified copy of the ID/Passport

Current service provider:

Account number:

*Please attach a copy of your latest invoice to confirm account number & account status

Service address:

Geographic numbers to be ported:

PABX location:

e.g. 010 590 0000 – 010 590 0010	e.g. Head Office

Please ensure that none of the above mentioned numbers are linked to any video conferencing services nor are they the target number for any 0800 or 086 service.

A customer porting a PRI / BRI will require the following (in addition to the normal requirements)

- A letter from the customer stating each number they require to be ported & that they are aware that any numbers not ported will be lost and CANNOT be reinstated.
 - Please note in order to keep the infrastructure the customer must keep 100 DDI's on the PRI.
 - Current Service Provider will continue to charge the customer the service fees for 30 days after porting – if they continue to charge after this date then the customer will have to take this up with Service Provider themselves as we are not allowed to amend anything on an account not in our company's name.

A customer porting an ADSL Line we need the following (in addition to the normal requirements)

- A letter stating what must happen to the DSL functionality i.e.
 - Option 1: Replace number being ported with a new number in order to keep the DSL Functionality (i.e. Assign a new number)
 - Option 2: State that they are happy to lose the DSL functionality (i.e. Once porting is completed they will NOT be able to ask for a port back and reactivate the DSL)
